

Instructions on how to install and use the translation app

Version: Listeners

Step 1

Install the app "LiveVoice" from your App Store.

Alternatively you can listen to the translation via a browser → <https://livevoice.io/>

Step 2

Type the **Invite Code** in the App (or Website) and press «**Join Live Event**». The code for the **Church Online Training Day 2020** is:

→ 9 6 4 1 1 2 ←

Step 3

Press the Play button of the desired language to start the translation.

The following technical requirements are needed for the App:

- Android or iOS
- A headset suitable for your smartphone/tablet is an advantage
- Enough battery capacity for the smartphone/tablet, don't forget a power bank or the correct power supply adapter!
